

Beispiele: Einstufung verschiedener Munitionsarten für Hand- und Faustfeuerwaffen
Exemples: Classification de diverses sortes de munitions pour armes de poing et à épauler
Esempi: Classificazione di diversi tipi di munizioni per armi da fuoco portatili e armi corte da fuoco
Examples: Classification of diverse ammunition types for hand guns and small arms of any calibre

Gültig ab 1. Januar 2011
Valable à partir du 1^{er} janvier 2011
In vigore dal 1° gennaio 2011
Valid from 1st January 2011

Die Zuständigkeit für die Einstufung von anderen Munitionen im konkreten Einzelfall liegt bei SECO/BWRP
La responsabilité de la classification d'autres munitions appartient dans tous les cas au SECO/BWRP
Per ogni casi, la SECO / settore BWRP resta, per la classificazione delle munizioni, l'istanza decisionale
The classification of other ammunition always lies in the responsibility of SECO/BWRP
