

Record of Understanding between the Delegations of Japan and Switzerland  
concerning the Concession for Natural Cheeses  
under the Agreement on Free Trade and Economic Partnership  
Between Japan and the Swiss Confederation (the Japan-Switzerland FTEPA)

Tokyo, 19 February 2009

It is the common understanding between the two delegations that the three natural cheeses listed in column 1 of Attachment 1 to Appendix 1 to Annex I of the Japan-Switzerland FTEPA as Qb-11, Qb-12 and Qb-13 and not registered as “Appellation d’origine contrôlée” (Protected Designation of Origin) in Switzerland correspond to each of the cheeses marketed under the names indicated in the corresponding column in the table below.

Item number on the list in Attachment 1 to Appendix 1 to Annex I	Name of Cheese
Qb-11	Appenzeller*
Qb-12	Glarner Schabziger*
Qb-13	Tilsiter*

Note: The use of “\*” against a name of cheese indicates that the name may be followed by “of Switzerland”.
