- (a) Article 3.4 (Most-Favoured-Nation Treatment);
- (b) Article 3.5 (Market Access); or
- (c) Article 3.6 (National Treatment).

2. Each reservation sets out the following elements:

- (c) “Industry Classification” refers, where applicable, to the activity covered by the reservation according to the UN Provisional Central Product Classification (hereinafter referred to as “CPC”);¹

- (f) “Measures” identifies the existing laws, ordinances, regulations or other measures, as qualified, where indicated, by the Description element, with respect to which the reservation is taken. In relation to reservations to the Most-favoured-nation treatment, it also includes international treaties. A measure cited in the Measures element:
 - (i) means the measure² as in force as of the date of signing of this Agreement, unless otherwise provided for in the Measures element; and

¹ Statistical Papers Series M No 77, Provisional Central Product Classification, Department of International Economics and Social Affairs, Statistical Office of the United Nations, New York, 1991.

² It is understood that the Classified Compilation of the federal legislation (SR) is indicated only for transparency purposes and shall by no means override the measure as in force at the date of signing.

- (ii) includes any subordinate measure maintained, modified or adopted under the authority of and consistent with the measure, unless otherwise provided for in the Measures element; and

 - (a) if the Measures element is marked as being “qualified by the Description element”, the Measures element as so qualified shall prevail over all other elements;
 - (b) if the Measures element is not so qualified, the Measures element shall prevail over all other elements. However, if any element is substantially and materially more precise than the Measures element, then that element shall be taken into consideration when determining the scope and meaning of the reservation. In particular, if the Measures element merely contains a general reference such as “cantonal legislations”, then any other more specific element shall prevail;

In case some fields of legislative competences are transferred in the future from federal to sub-federal level or *vice-versa* or from sub-federal to municipal level or *vice-versa*, Switzerland reserves the right to adapt this Appendix correspondingly. The level of commitment shall not be decreased.
- 6. The fact that a reservation mentions a particular measure and how a reservation describes a particular measure shall not be used to infer that the provisions of Chapter 3 of the Agreement cover necessarily such a measure.

Level of Government:	Federal
Measures:	Federal Law on maritime transport under Swiss flag (SR 747.30), Articles 91, 125 and 126 Federal Law on ship registry (SR 747.11), Article 4 Federal Ordinance on ship registry (SR 747.111), Articles 8, 9, 10, 11, 12, 13, 14 and 15 Revised Act on Rhine shipping of 17 October 1868 between Baden, Bavaria, France, Hessen, Netherlands and Prussia (SR 0.747.224.101), as may be amended in the future, Articles 2 and 4
Description:	Ships under the flag of a Contracting Party to the Revised Act on Rhine shipping are defined as “belonging to Rhine shipping” (SR 0.747.224.101, Article 2). As defined by the Revised Act on Rhine shipping (SR 0.747.224.101, Article 4) and as defined in the Federal Law on maritime transport under Swiss flag (SR 747.30, Article 125), ships “belonging to Rhine shipping” have the right to transport passengers and goods between two points on the Rhine. It is not

allowed to supply services as indicated in the Industry Classification element above under other flags (SR 0.747.224.101, Article 4).

All ships offering commercial transport services of passengers and goods on internal waterways on the territory of Switzerland, including waterways sharing the border with another country, must be registered in the ship registry (Schiffsregister, registre des bateaux, registro del naviglio). To be registered in the ship registry, more than 50 percent of a ship must be owned by one or more natural persons having their residence in Switzerland or by one or more juridical persons having their domicile in Switzerland. In addition, a ship may be registered in the ship registry only if it is allowed to carry the Swiss flag and if it belongs to an economically independent enterprise or branch with a full-fledged operational organisation in Switzerland (SR 747.11).

The owner of a Rhine vessel that is permitted to fly the Swiss flag on the Rhine must meet the requirements as specified hereinafter. Rhine vessels are defined as vessels used for the commercial transport of persons or goods on the Rhine, its tributaries and side canals, downstream of the town of Rheinfelden. The Confederation, the cantons and Swiss public corporations and organisations are not required in their capacity as ship owners to prove that they fulfil these requirements. A maritime vessel that is entered in the register of Swiss maritime vessels (Register der Schweizerischen Seeschiffe, registre des navires suisses, registro delle navi marittime svizzere) may operate on the Rhine under the Swiss flag (SR 747.111, Article 8).

Concerning the abovementioned flag-related restrictions, the following states are “accorded equal status to Switzerland”:

- (a) the Contracting Parties to the Revised Act on Rhine shipping of 17 October 1868;
- (b) the Member States of the European Union in which, for the purpose of flying the flag of their state on the Rhine, regulations that are equivalent to those applicable to the Contracting Parties to the Revised Act on Rhine shipping apply (SR 747.111, Article 9).

If more than half of the ship is owned by a natural person, a commercial business, a legal entity or its branch office, it must be domiciled in Switzerland and be a national of Switzerland or of a state “accorded equal status to Switzerland” or it must have its

registered office in Switzerland and fulfil the requirements of Articles 11 to 13 of SR 747.111 as stated hereinafter with regard to the majority requirement and participation levels.

If more than half of the ship is owned by more than one natural person, commercial company, legal entity or its branch office, these must be domiciled in Switzerland and be a national of Switzerland or of a state “accorded equal status to Switzerland”, or these must have their registered office in Switzerland and fulfil the requirements of Articles 11 to 13 of SR 747.111 as stated hereinafter with regard to the majority requirement and participation levels (SR 747.111, Article 10).

If the ship is owned by a commercial business or a legal entity, this commercial business or legal entity must fulfil the following requirements:

- (a) two thirds of all company members (partners, general partners, limited partners and other co-partners) must be domiciled in Switzerland or in a state “accorded equal status to Switzerland” and be a national of Switzerland or of a state “accorded equal status to Switzerland” or, if the limited partners or other co-partners are legal entities or commercial businesses, they must be entities from Switzerland or from a state “accorded equal status to Switzerland” (SR 747.111, Article 13). The partners must in addition hold a minimum of two thirds of the capital;
- (b) persons from Switzerland or from states “accorded equal status to Switzerland” must hold a minimum of two thirds of the share capital, registered capital or cooperative capital (SR 747.111, Article 13); and, as a minimum, hold the same proportion of voting rights;
- (c) a minimum of two thirds of all members of an association as well as all members of the committee or any other executive association body must be domiciled in Switzerland or in a state “accorded equal status to Switzerland” and be nationals of Switzerland or of a state “accorded equal status to Switzerland”;
- (d) all members of the board of governors of a foundation must be domiciled in Switzerland or in a state “accorded equal status to Switzerland” and be nationals of Switzerland or of a state “accorded equal status to Switzerland”.

Usufructuaries, secured creditors or persons entitled to any other participation in the business of the ship

owner must, if they are in a position to exert a significant influence on the management of the business, fulfil the same requirements as the owner.

Trustors must fulfil the same requirements as trustees. The same condition applies by analogy to arrangements similar to trusts.

A commercial business or legal entity is not regarded as an economically or commercially independent business if the master of the ship, the ship's crew or the members of their families own more than two thirds of the ship (SR 747.111, Article 11).

If only one person is entrusted with the management or administration of a sole proprietorship, commercial business or legal entity, that person must be domiciled in Switzerland and be a national of Switzerland or of a state "accorded equal status to Switzerland".

If more than one person is entrusted with the management or administration of a sole proprietorship, commercial business or legal entity, then the majority of those persons must be domiciled in Switzerland; two thirds must be nationals of Switzerland or of a state "accorded equal status to Switzerland".

Any horizontal provisions on nationality as stated in this agreement that impose stricter conditions are reserved (SR 747.111, Article 12).

The following persons are regarded as persons from Switzerland or from states "accorded equal status to Switzerland" in accordance with the Revised Act on Rhine shipping:

- (a) natural persons that are domiciled in Switzerland or in a state "accorded equal status to Switzerland" and who are nationals of Switzerland or of a state "accorded equal status to Switzerland";
- (b) commercial businesses and legal entities that have their registered office in Switzerland or in a state "accorded equal status to Switzerland" and in which natural persons as referred to in (a) or other commercial businesses or legal entities hold a significant participation as members or partners, shareholders, cooperative members or as other co-partners (sub-participation). Commercial partnerships or legal entities that hold a sub-participation must themselves fulfil the requirements of a significant participation as defined below. The foregoing also applies to any other significant participation in a sub-participation.

A significant participation is defined as (SR 747.111, Article 13):

- (a) a participation in the capital normally amounting to at least two thirds;
- (b) the possession of the same proportion of the voting rights; and
- (c) a significant involvement in the management and administration.

An undertaking in terms of Article 4 of SR 747.11 as stated above (*i.e.* sole proprietorships, commercial businesses, legal entities) or its branch office must:

- (a) be organised appropriately in Switzerland for operating, equipping and manning the vessel; and
- (b) have the centre of its commercial activities in Switzerland and conduct the operation of the vessel from there.

These conditions apply by analogy to associations of joint-owners or co-owners.

If the operational tasks are carried out on board by the master of the ship or a member of the ship's crew (private ship's owner), the owner of the vessel must be domiciled in Switzerland and be a national of Switzerland or of a state "accorded equal status to Switzerland". If the ship is owned by more than one person (joint owners or co-owners), these owners must all be domiciled in Switzerland and be nationals of Switzerland or of a state "accorded equal status to Switzerland" (SR 747.111, Article 14).

If a Rhine vessel is operated by an inland operator who is not the owner, this operator must either:

- (a) be domiciled or have its registered office in Switzerland and fulfil the requirements that the Ordinance specifies for the owner; or
- (b) be domiciled or have its registered office in a state "accorded equal status to Switzerland" and fulfil the requirements that this state specifies for inland operators. In relation to this, the operator must provide an official document in accordance with the Revised Act on Rhine shipping of 17 October 1868 (SR 0.747.224.101).

If a ship is acquired by an owner in terms of Article 8 of SR 747.111 on behalf of the inland operator and primarily for funding purposes, the inland operator must be domiciled or have its registered office in Switzerland as well and must fulfil the same requirements as the owner (SR 747.30, Article 126; SR

747.111, Article 15).

Rental/Leasing without operator relating to ships under Swiss flag is allowed to Swiss ship-owning companies only (SR 747.30, Article 91).
