

Decision No. 02/1999

**of the Joint Committee established under
the Agreement on Mutual Recognition
in relation to Conformity Assessment
between Canada and Switzerland
of 3 December 1998
on the establishment of the
Joint Sectoral Groups:**

The Joint Committee,

Having regard to the Agreement on Mutual Recognition in relation to Conformity Assessment between Canada and Switzerland and in particular Articles XI and XII thereof;

Having regard to the Rules of Procedure of the Joint Committee and in particular Article 6 thereof;

Has established the following Joint Sectoral Groups (JSG):

- The Joint Telecommunications Terminal Equipment, Information Technology Equipment and Radio Transmitters (Article 7.5 of the Sectoral Annex), and Electro-magnetic Compatibility Group;
- The Joint Electrical Safety Group (Article 10 of the Sectoral Annex);
- The Joint Sectoral Group on Good Manufacturing Practices (Article 5 and Appendix 3 of the Sectoral Annex);
- The Joint Sectoral Group on Medical Devices (Article 5 of the Sectoral Annex).
