Annex III
Referred to in Chapter 6
Lists of Reservations

Appendices 1 and 2 to this Annex are Lists of Reservations of Japan and Switzerland, respectively, referred to in Article 57.
Appendix 1
Lists of Reservations of Japan

Section 1
Existing Measures

1. This list sets out, pursuant to Article 57, the reservations taken by Japan with respect to existing measures that do not conform with obligations imposed by:

   (a) Article 45
   (b) Article 46
   (c) Article 47

2. Each reservation in this list sets out the following elements:

   (a) “Sector” refers to the general sector in which the reservation is taken;
   (b) “Sub-Sector” refers to the specific sector in which the reservation is taken;
   (c) “Industry Classification” refers, where applicable, and only for transparency purposes, to the activity covered by the reservation according to domestic or international industry classification codes;
   (d) “Type of Reservation” specifies the obligations referred to in paragraph 1 for which the reservation is taken;
   (e) “Level of Government” indicates the level of government maintaining the measure for which the reservation is taken;
   (f) “Measures” identifies the existing laws, regulations or other measures for which the reservation is taken. A measure cited in the “Measures” element:

       (i) means the measure as amended, continued or renewed as of the date of entry into force of this Agreement; and

       (ii) includes any subordinate measure adopted or maintained under the authority of and consistent with the measure; and
(g) “Description” sets out, with regard to the obligations referred to in paragraph 1, the non-conforming aspects of the existing measures for which the reservation is taken.

3. In the interpretation of a reservation, all elements of the reservation shall be considered. A reservation shall be interpreted in the light of the relevant provisions of Chapter 6 against which the reservation is taken, and the “Measures” element shall prevail over all other elements.

4. With respect to Financial Services:

(a) For prudential reasons within the context of paragraph 1 of Article VI of Annex VI, Japan shall not be prevented from taking measures such as non-discriminatory limitations on juridical forms of a commercial presence. For the same reasons, Japan shall not be prevented from applying non-discriminatory limitations concerning admission to the market of new financial services which shall be consistent with regulatory framework aimed at achieving such prudential objectives. In this context, securities firms are allowed to deal in securities defined in the relevant laws of Japan, and banks are not allowed to deal in those securities unless allowed in accordance with those laws.

(b) Services supplied in the Area of Switzerland to the service consumer in Japan without any active marketing from the service supplier are considered as services supplied under subparagraph (t)(ii) of Article 44.

5. With respect to air transport services, measures affecting traffic rights or measures affecting services directly related to the exercise of traffic rights are not listed in this list, as these are excluded from the scope of Chapter 6 pursuant to paragraph 2 of Article 43.

6. Laws and regulations with regard to spectrum availability affecting obligations under Article 46 are not included in this list, taking into account the Attachment 6 of Guidelines for the Scheduling of Specific Commitments (WTO Document S/L/92, dated 28 March 2001).
7. For the purposes of this Appendix, “JSIC” means Japan Standard Industrial Classification set out by the Statistics Bureau, Ministry of Internal Affairs and Communications, and revised on 6 November 2007.

Description:
1. A person who intends to conduct road passenger transport business or road freight transport business is required to establish a place of business in Japan and to obtain permission of the Minister of Land, Infrastructure, Transport and Tourism.

2. In respect of common taxicab operators business, the Minister of Land, Infrastructure, Transport and Tourism may not grant permission to a person who intends to conduct the business, and a person who conducts the business may not be allowed to modify the business plan of such business, in the area including a designated area where the Minister of Land, Infrastructure, Transport and
Tourism designated as the "emergency supply/demand adjustment area". The "emergency supply/demand adjustment area" is designated where the Minister of Land Infrastructure, Transport and Tourism considers that the capacity of common taxicab transportation business in that area significantly exceeds the volumes of traffic demand, and that it would be difficult to secure the safety of transportation and the benefits of passengers, if the capacity of transportation further increases.

3. In respect of common motor trucking business or motor trucking business (particularly-contracted), the Minister of Land, Infrastructure, Transport and Tourism may not grant permission to a person who intends to conduct the business, and a person who conducts the business may not be allowed to modify the business plan of such business, in the area including a designated area where the Minister of Land, Infrastructure, Transport and Tourism designated as the "emergency supply/demand adjustment area". The "emergency supply/demand adjustment area" is designated where the Minister of Land, Infrastructure, Transport and Tourism considers that the capacity of common motor trucking business or motor trucking business (particularly-contracted) in that area has significantly exceeded the volumes of transportation demand to the extent that the operation of existing business would become difficult.
