

# A Look Back at the Last 20 Years

20 Years Swiss National Contact Point for the OECD Guidelines

13 December 2021

Prof. Dr. iur. Christine Kaufmann  
Chair OECD Working Party on Responsible Business Conduct

# National Contact Points: a unique mechanism

Based on the **OECD Guidelines for Multinational Enterprises**

Address the **all key areas** where business interacts with society

**Solution-oriented** platform for dialogue

**Broad support** by all stakeholders

Companies operating **in** and **from** the **50** adherents' territories

# NCPs and remedy: 20 years of contribution

Application of the Guidelines to **various types of corporate actors**

THEMES

Addressing key elements of **due diligence, human rights, labour relations**

Supporting **RBC policy coherence** and **public policy change in non-adherent countries**

RESULTS

**Agreements (40%), changes in corporate policy (47%), compensation & reparation**

GLOBAL  
COVERAGE

> 500 cases, involving > **100** territories and jurisdictions

# NCPs and remedy: 20 years of challenges

**Visibility** and **accessibility**

Meeting indicative **timelines** – **duration** of cases

**Levering outcomes** more consistently

Guaranteeing **equitable** and **safe proceedings**

**Ensuring stakeholders' trust and the credibility of the NCP system**

# 20 Years Swiss NCP – reason to celebrate and think ahead
